

## Ground-Plane

### DESCRIPTION

- High quality aluminium construction.
- Heavy duty construction for long life operation.
- Broadband antenna .
- Easy to install.
- Standard female connector N.
- U-Bolts and clamps included in price.

### SPECIFICATIONS

- Polarization Vertical
- Gain 0 dBd
- Impedance 50 Ohms
- Max. power 150 W
- S.W.R. < 1,5

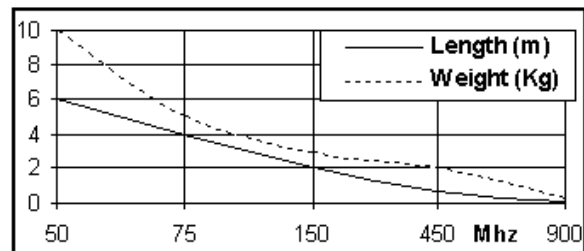

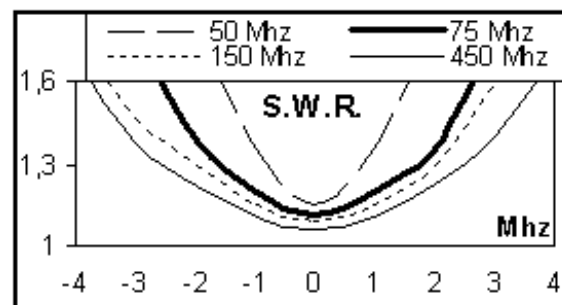

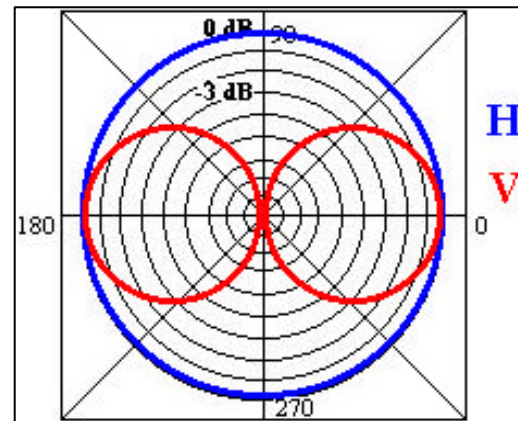

### DESCRIPCION

- Fabricadas en aluminio protegidas contra la corrosión.
- Muy resistentes para condiciones climáticas adversas
- Gran ancho de banda.
- Fácil instalación.
- Herrajes incluidos en P.V.P

### ESPECIFICACIONES

- Polarización Vertical
- Impedancia 50 Ohms
- Potencia Máx. 150 Watios
- S.W.R. < 1,5
- Ganancia 0 dBd
