Garantía

LAMBDA ANTENAS garantiza todos productos durante 24 meses, desde la fecha de salida de fábrica, ante defectos en materiales o mano de obra. Si se detectase algún defecto, la unidad deberá ser devuelta al vendedor, franqueo pagado, incluyendo una breve descripción del fallo. Los productos en garantía se repararán o reemplazarán sin cargo. La garantía no es aplicable si se hacen modificaciones no autorizadas, se usa inadecuadamente o la etiqueta con el número de serie no está intacta

Warranty

All products of LAMBDA ANTENAS have a 24-month warranty period, from the date they are dispatched from our facilities, covering material and manufacturing faults. If a faulty unit is detected, it must be returned to the seller, paying post and package, including a description of the fault. The returned products covered by the warranty will be repaired or replaced without charge. Warranty does not apply if the faulty product has suffered unauthorised manipulation, has been used inadequately or the label including the serial number has been tampered.
